

ROOM of the FUTURE

[LOGIN GUIDE](#)

Login Page

Type the email and click on the Continue Button to validate the user.

The system detects if the email address presented by the user belongs to a registered user or not, then offers the right authentication strategy.

If the **user is registered**, there are three ways to login:

- Password-based authentication
- SSO authentication
- Magic link

If the **user is not registered**, a message will be displayed. Please contact your organization.

NOTE

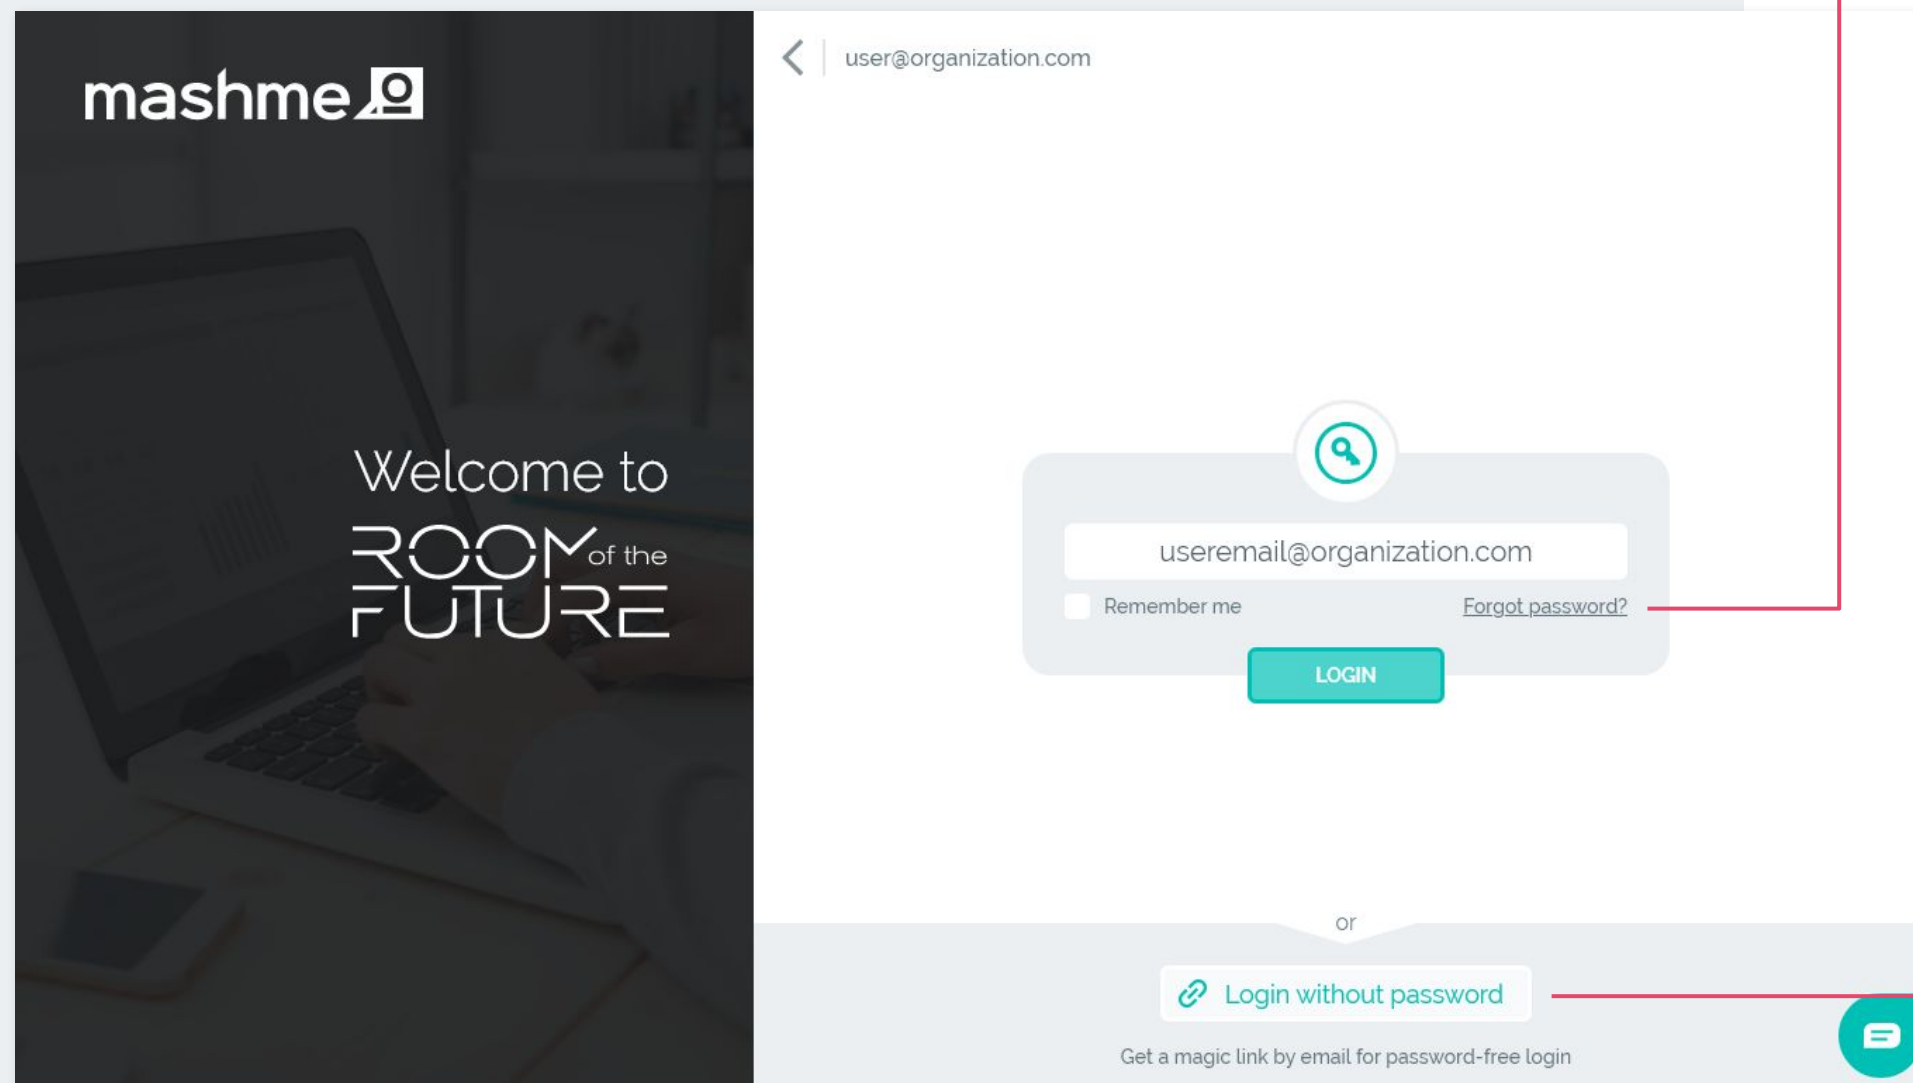

For additional information about the process, please visit [this link](#).

User Pass

FORGOT PASSWORD

REQUEST A MAGIC LINK

The user must type the password and click on the Continue Button to validate the user.

If you don't remember your password:

- Click on the Forgot password button
- or you can click on the Login without password button to request a magic link via email

NOTE

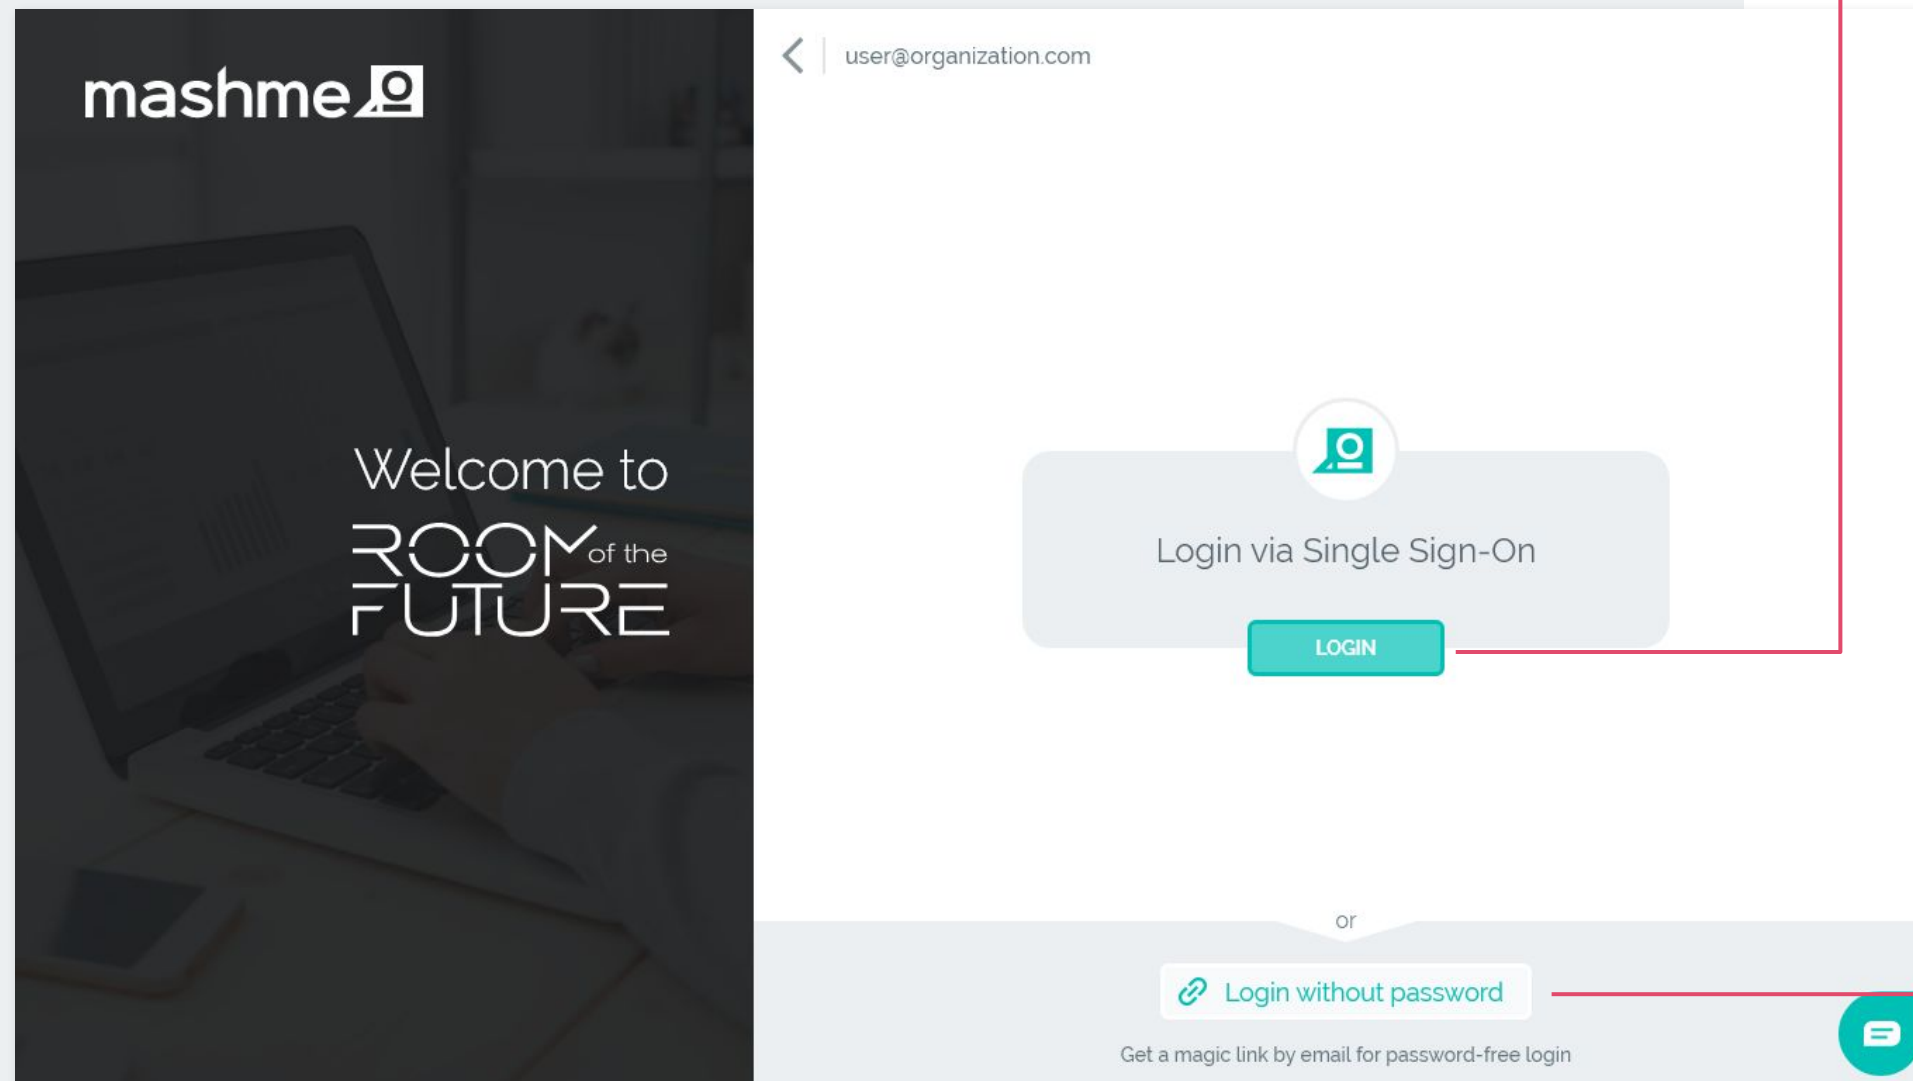

For further details on how to reset your password, please visit [this link](#).

SSO

SSO

REQUEST A MAGIC LINK

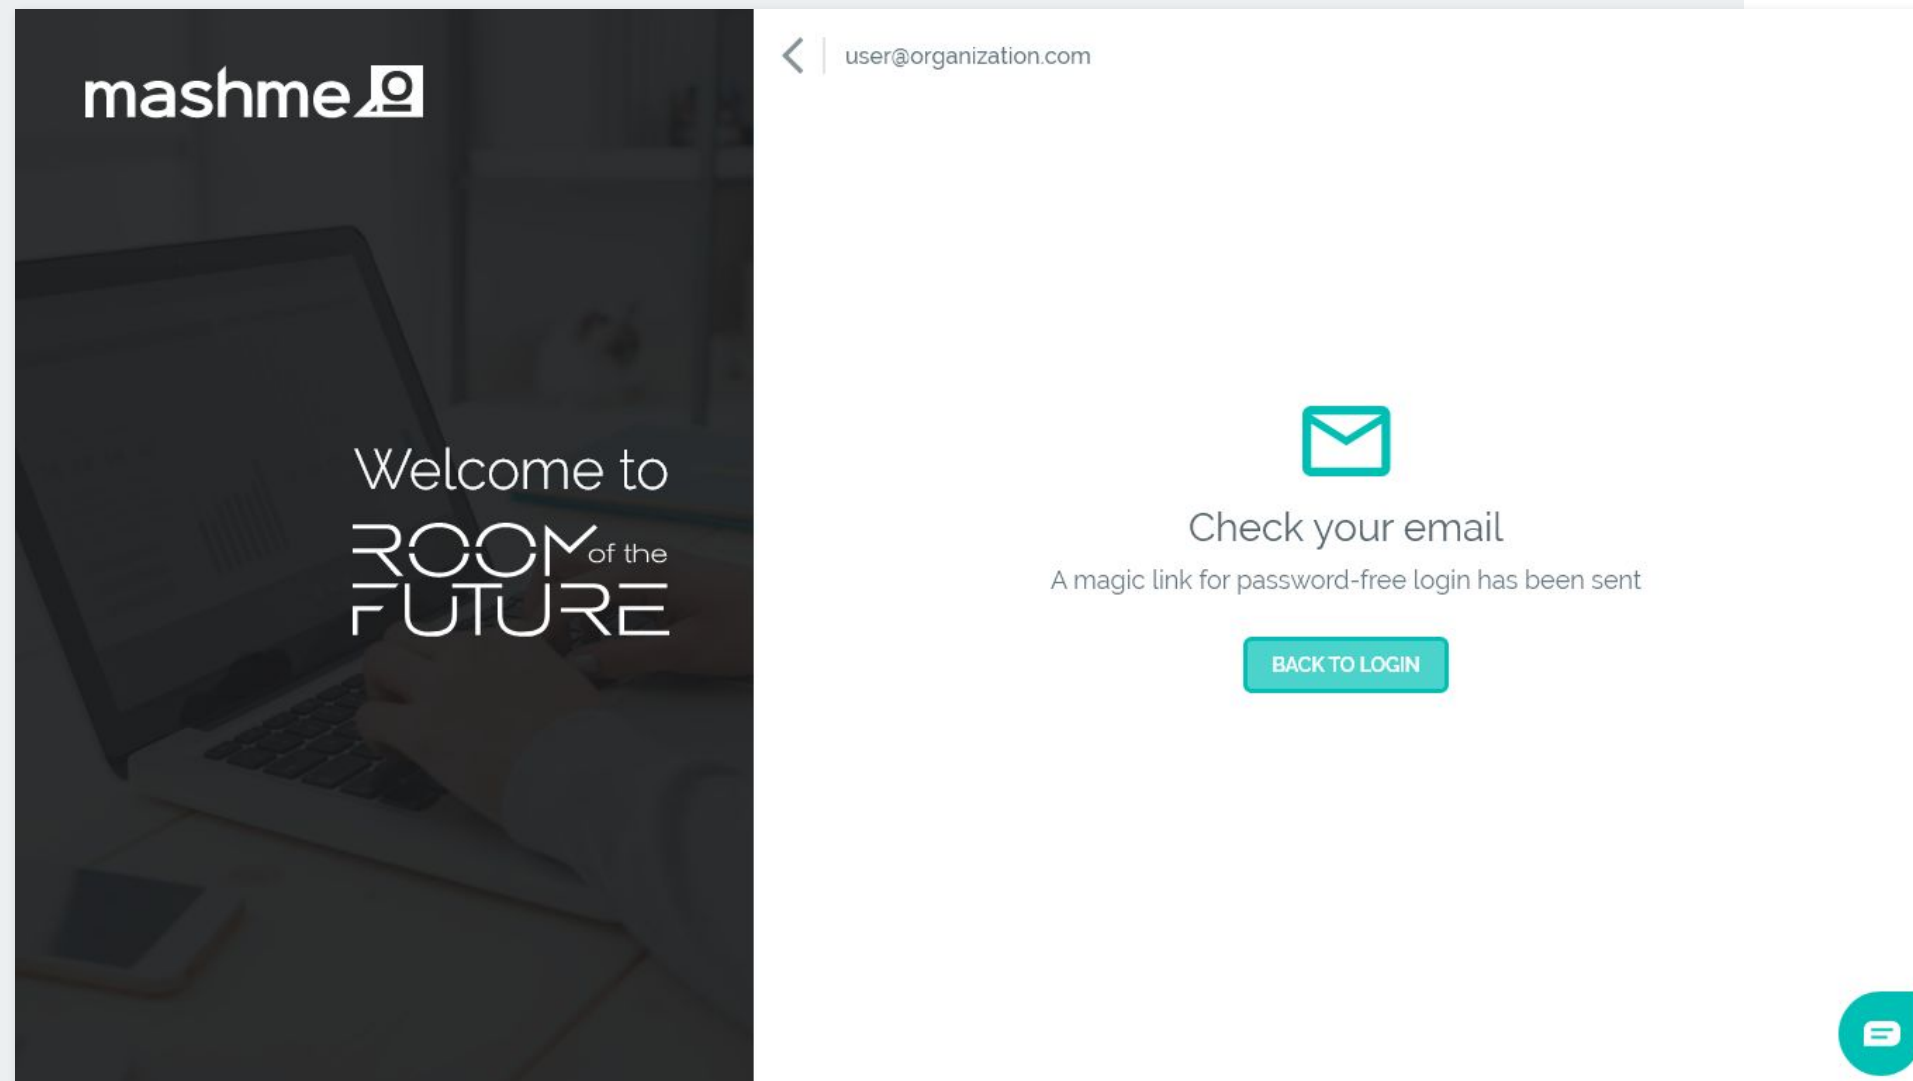

If the **Single Sign On** is enabled in the organisation, the Participants will join via corporate authentication and will not be required to use registration credentials.

The user must click on the Login button to validate the user.

If SSO Is not available at the time, you can click the Login Without password button to receive a Magic Link by email.

Magic Link

If SSO is unavailable or the user cannot remember their password, they can quickly request a magic link via email.

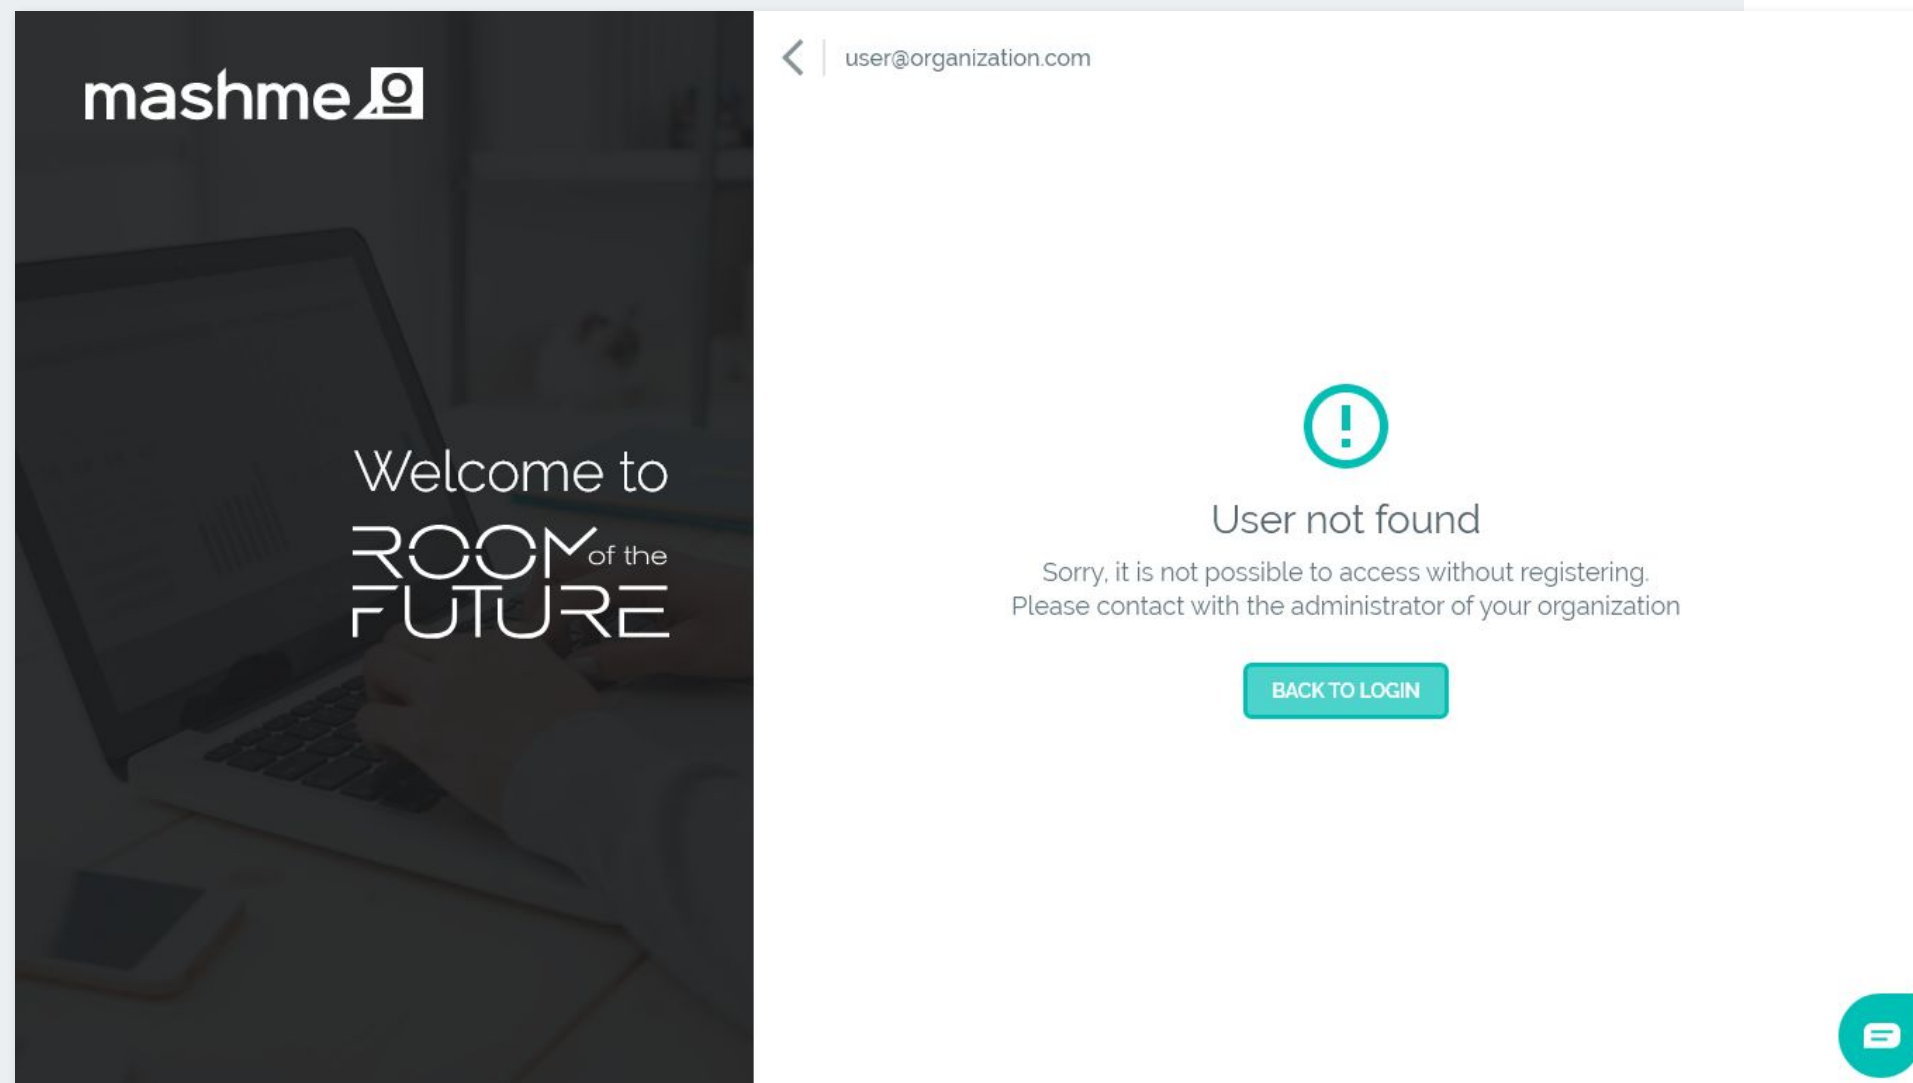

The system will send a unique link to the user by email. The receipt of this email proves ownership and simply clicking the link will redirect the user to the correct session.

NOTE

The magic link is valid only for 30 minutes

User Not Registered

If the email address submitted is not a registered user, please contact the administrator of your organization.
